

Dear Las Lomas Families,

Thank you to all of you who were so patient and followed our safety procedures during last week's minimum day dismissal. It is remarkable that we were able to get 615 students safely into cars, buses, bicycles or hand in hand with an adult within 15 minutes of dismissal! I appreciate your support!

Below is information for **returning families who wish to request a change in session assignment** for the 2015-2016 school year. Information about registration for new students K-3 can be found on our school webpage at <http://ll-llesd-ca.schoolloop.com/>. The session request process for new families will be handled via email again this year. It was wonderful to not have parents camping out last year!

Teachers will be here on Monday and Tuesday next week participating in a variety of professional development activities. Much of one day will be focused on writing instruction and the other on disaster/emergency response. We are fortunate to have this time to learn together.

I hope you all have a restful Thanksgiving holiday enjoying time with family and friends.

Until next time,

Sue Sartor
Principal

Session Requests for 2015-2016 ~ RETURNING FAMILIES ONLY

If you have a **current** kindergarten or first grade student and **wish to move to first session next year**, you must put that request in writing to Mrs. Sartor. She will begin taking requests by letter or email starting at 10:00 p.m., January 1, 2015. You may email her at ssartor@llesd.org. No requests will be honored prior to this date and time. Your requests will be placed on a wait list in order received.

New family requests are not accepted until February 1, 2015, allowing our returning families to have priority on the wait list. If you are on this year's wait list, you must make a new request for next year. We do not "roll over" the list from year to year. Please call Mrs. Sartor if you have any questions about the session request process.
