

March Homework

Language Arts

1. Celebrate Dr. Seuss' Birthday by listening to one of his stories and then look for words that rhyme with big, pet, mat, not and rug
2. Write the alphabet in upper and lower case letters
3. Look at a newspaper page and circle all of the words you can read
4. Identify the characters and the settings in your Overnight Book
5. Discuss the problem and the solution from an Overnight Book
6. Make a list of 8 things that are green to celebrate St. Patrick's Day
7. Take a piece of paper and write all of the words you know
8. Read all of your Keep Books

Math

9. Write the numbers on your March calendar
10. Try counting to 100 by 1's, 10's and 5's; can you count by 2's?
11. Write down your phone number, cover it up and try to write it from memory
12. Make a bar graph that shows how many doors and windows there are your house.
13. Say the days of the week and the months of the year
14. Walk around your yard and count how many trees, how many bushes and how many flowers you see; now add the flowers with the trees and bushes to see how many plants there are; write the equation on paper
15. Ask a parent to let you pay for two things at the store
16. Predict how many windy days there will be this month; mark windy days on your calendar and see how close your prediction was to the actual number of windy days

Other

17. Find out your family emergency escape plan from your home and practice it with your family
18. Plant a seed and predict how many days it will be before it sprouts; keep a record and see how close your prediction was to the plant sprouting
19. Predict what will happen to plants in your yard this spring; write down your predictions and keep them to see if they happen
20. Try to make a small kite in cooperation with someone in your family; fly it
21. Spring is here! Take a walk and draw a picture of all the signs of spring that you see
