

# ***November Homework***

## ***Language Arts***

1. Count the number of words on your calendar and then count the letters
2. Count the words on the front of a cereal box; can you read any of them
3. Make a list of the fruits and vegetables in your refrigerator
4. Make a list of 4 color words and then make another list of words that start with the same beginning letter as each of the color words
5. After listening to your Overnight Book discuss the events of the story in sequence
6. Make a list of 5 things for which you are thankful
7. Write a note to someone telling them how thankful you are for having them in your life
8. Read a book that you know and track the words as you turn the pages

## ***Math***

9. Write the numbers on your November calendar
10. Sort your Halloween candy and label your groups
11. Make an A-B-C pattern with your candy
12. Make a bar graph of how many of the vowel letters (a,e,i,o,u) that you find typed on your calendar
13. Ask your Mother and Father what things you will eat for Thanksgiving; make a list to group them by fruits, vegetables, meats and breads
14. On a trip to the store ask your parents to let you pay for one or two of the items
15. Take your parents' pocket change and sort the coins; find out the names and amounts of each one
16. Find a clock with a face and count the numbers and the hands

## ***Other***

17. Have someone tell you about Veteran's Day
18. Make a flag
19. Practice skipping, hopping, jumping, galloping
20. Try jumping with a rope
21. Predict how many times you will eat turkey this month and explain your thinking
